

ZLO1249 Report Enhancements

Protégé Surplus Report for M5 (Tagged Movable Property) and M7 (Non-Tagged Movable Property) Notifications

The ZLO1249 Movable Property Surplus report has been enhanced to include new functionality. The report selection criteria screen has been improved to include System Status and Completion date. Please note the Completion date field is only viable with System Status NOCO (Notification Complete) report selection. This enhancement will allow users to create historical reports for M5 (tagged Movable Property) and M7 (Non-tagged Movable Property) notifications. All LaGov standard report functions are also available.

Protege Surplus Report

Selection Criteria

Characteristic Transfer Status	Retire to State Surplus		
Company Code	0018		
Maintenance Plant	85*	to	
Notification		to	
System Status			
Completion Date		to	
User status	CASP	to	
Disposal Method		to	

Also, the report output has been updated to include the Notification Task Tab information (Task, Task Text, etc.) for notifications processed via the outbound interface to LPAA. This enhancement will allow users to create historical reports for M5 (tagged Movable Property) and M7 (Non-tagged Movable Property) notifications that included the LPAA interface data. All LaGov standard report functions are also available.
